

# Horizon Pinelodges

Cottingham Parks Show – 2011 Launch

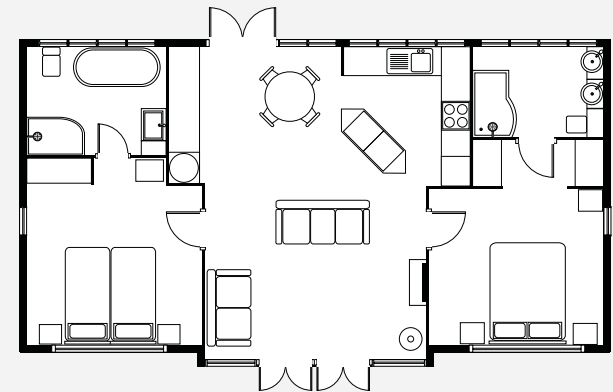

Cool, uncluttered, contemporary... this architect designed lodge has many stunning features. Horizontal interior and exterior detailing leads the eye to the unique triangular glazing and a glazed feature wall which is sheltered from the glare of the sun by a substantial and beautiful brise soleil.

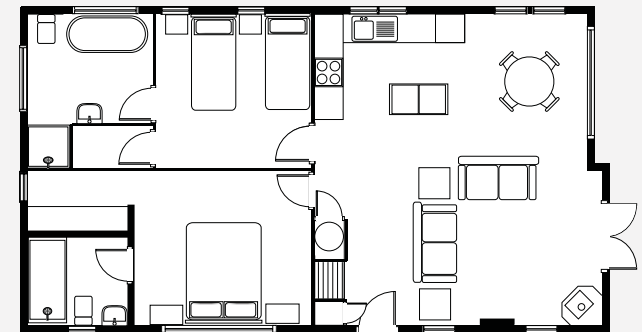

Interior colour schemes complement modern pared back furnishings; a stylish kitchen incorporates integrated appliances and wine cooler; en suite bathrooms offer luxurious spaces to relax and unwind with indulgent fittings and luxury tiling with underfloor heating.

Great design combined with Pinelog's acknowledged build quality make this an unsurpassed holiday lodge.

EXHIBITED MODEL:  
40' x 22' (12.2m x 6.8m) Centre Living  
with double en suite
